### No-Spill™ Easy Grip Cup Stage 3

Easy to hold, Easy to use, Easy to Clean

**Stage 3** 10oz/295ml

The Nuby™ easy grip cups feature the No-Spill™ easy to use, easy to clean soft silicone spout that prevents spills and reduces leaks. The unique 1 piece valve promotes natural healthy drinking because it needs very little suction, allowing your child's palate and teeth to grow naturally. The easy grip shape is perfect for little hands to hold and toddlers on the go. \* Colors may vary

### Grooming Set

Soft textured handle insures easy, comfortable grip

The colorful Comb and Brush Set with soft grip handles by Nuby™ was designed especially for your baby. The nylon bristles of the brush are soft and gentle to baby's tender scalp. Both the brush and comb are sized just right for baby's needs and comfortable enough for mom to hold! \* Prints and/or colors may vary
